### Questions To Ask Your Hair Stylist For Hair Extensions

Salon Name: \_\_\_\_\_ Stylist's Name: \_\_\_\_\_

Salon Address: \_\_\_\_\_ Salon Telephone: \_\_\_\_\_

Consultation Appointment Date: \_\_\_\_\_ Time: \_\_\_\_\_ AM / PM

1. How long have you been installing hair extensions?
2. Which hair extensions methods have you used in the past?
3. Which hair extension methods do you offer your clients?
4. Which hair extension method do you prefer and why?
5. Do you offer human hair or synthetic hair?
6. Which hair type do you prefer, and why or why not?
7. Do you think that I am a candidate for hair extensions?
8. If so, what method would you recommend for me?
9. Have you ever had hair extensions?
10. If so, how long did you have them in and did you have any damage when you removed them? Explain.
11. Have you installed hair extensions on any of your co-workers? Can I speak to her or him?
12. Do you have any before and after photos of your hair extension clients?
13. Does hair extension or installation or removal hurt?
14. How do you remove extensions? Chemicals? Heat? Picking at the bonds? Sliding metal tubes up the hair shaft? Can you explain the process?
15. What type of damage have you seen after hair extension removal?
16. How often will I require maintenance touch-ups?
17. Do you offer free in-between extension installations, such as if a few fall out within a month of installation?

18. What products do you recommend for best maintaining hair extensions?
19. What products DON'T you recommend for clients with hair extensions?
20. Do you recommend my sleeping with a large loose braid or a satin cap to better protect my hair?
21. Can I swim with my extensions? In a pool or in saltwater?
22. Should I do anything special to prepare my hair for swimming such as saturating natural hair with tap water or applying conditioners or silicone serums before entering a pool or the ocean?
23. I have heard that tight braids before swimming in salt water may be bad for my hair, what do you recommend?
24. Can I have my hair colored with the method of hair extensions you offer? What about the product being left within the braid or bond? Will the residue damage or continue to affect my hair if it cannot be rinsed out?
25. If for metal tubes, have you seen discoloration of the hair strands with residue from oxidation?
26. How much will this cost me? Hair: \_\_\_\_\_, Installation: \_\_\_\_\_, Touch-ups: \_\_\_\_\_, Other: \_\_\_\_\_
